Superintendent's Message

Seniors of 1950 — may you graduate from Atlantic High School equipped with the groundwork necessary for your happiness and success. May you possess sincerity which makes a man happy; veracity, which leads the way to trustworthiness and dependability; and initiative, which is the groundwork for unlimited achievement.

May you also possess the ability to make an honest inventory of your own character and overcome your deficiencies. "A fool may know his shortcomings, but it takes a wise man to correct them."

And, finally, may you devote your life to worthwhile actions and feelings, to great thoughts, real affections and enduring undertakings.

J. J. O'Connor
